

# Seminars on Drug Discovery & Development

Wednesdays 17:00 - 18:00, Lecture Hall 1, Pharmazentrum, Klingelbergstrasse 50, Basel

- Feb 18, 15**     **Dr. Kurt Ritter, Sanofi-Aventis**  
"The Revolution in Treatment of Chronic Hepatitis C"  
Host: Prof. B. Ernst
- Mar 04, 15**     **Prof. Theo Dingermann, Institut für Pharmazeutische Biologie; Biozentrum, Frankfurt/Main, Germany**  
"Genetic markers for better efficacy and tolerability of medicines – Treating patients instead of treating diseases"  
Host: Prof. H. Meyer zu Schwabedissen/Prof. K. Hersberger
- Mar 11, 15**     **Prof. Dr. Alexander Kros, Leiden Institute of Chemistry, Supramolecular & Biomaterials Chemistry Gorlaeus Laboratories, Leiden, The Netherlands**  
"Supramolecular chemistry for the design of new drug delivery tools"  
Host: Prof. J. Huwyler
- Mar 18, 15**     **PD Dr. Stephan Lütz, Novartis Institutes for Biomedical Research, Basel, Switzerland**  
"Enzymes in Drug Discovery – Applied Biocatalysis for Metabolite Synthesis and Natural Product Derivatization."  
Host: Dr. S. Rabbani
- Mar 25, 15**     **Prof. Dr. med. Christoph Beglinger, Dekan der Medizinischen Fakultät, Universität Basel**  
„Drugs for regulating appetite“  
Host: Prof. S. Krähenbühl
- Apr 08, 15**     **Dr. Timothy Sharpe, Biophysics Facility, Biozentrum**  
"Fragment-Based Inhibitors for a Protein-Protein Interaction "  
Host: Prof. B. Ernst
- Apr 15, 15**     **Prof. Thierry Langer, Dept. of Pharmaceutical Chemistry, University of Vienna, Austria**  
"Feature-based Pharmacophores: Efficient Tools For Medicinal Chemistry Decision Support "  
Host: Prof. A. Odermatt
- Apr 22, 15**     **Prof. Dr. Manuel Battegay, Fachbereichsleiter Ärzte, Lehre & Forschung, Universitätsspital Basel, Switzerland**  
„HIV - antiviral therapy - challenges of the past - present and future“  
Host: Prof. S. Krähenbühl

# Seminars on Drug Discovery & Development

Wednesdays 17:00 - 18:00, Lecture Hall 1, Pharmazentrum, Klingelbergstrasse 50, Basel

- Apr 29, 15**     **Dr. Stefan Bieri, Service of Consumption and Veterinary Affairs, Canton of Vaud**  
“Biomarkers for the screening of botanicals in herbal food supplements“  
Host: PD. Dr. O. Potterat
- Mai 06, 15**     **Prof. Dr. Robert Fürst, Institut für Pharmazeutische Biologie, Goethe-Universität Frankfurt, Germany**  
„Biogenic vascular disrupting agents - a new perspective in cancer therapy?“  
Host: Prof. M. Hamburger
- Mai 27, 15**     **Prof. Dr. Marc Pfister, Pädiatrische Pharmakologie, Universitäts-Kinderspital beider Basel, Basel, Switzerland**  
“Experiments in virtual patients: challenges and opportunities“  
Host: Prof. A. Odermatt
